Bring your tools or projects to the next Learn to Turn!

- Rick will be making carbide tools
 - Lathes setup for pen turning
- !!!!**POSTPONED**!!!!

6:00pm before the next monthly meeting on March 19th

President's Notes

Rick Bugbee

Now 4 months with zoom meetings, and thanks to Mike Cotton they have all worked quite well. This month we will be back at Roland's shop for another great ZOOM meeting. We will have a short business meeting at 6:30 sharp to discuss the school opening.

A meeting was held Thursday the 9th and the consensus was to hold off returning to the school at least until September. Looking around many other states who may have opened a bit too soon, the decision to slow up just makes sense.

The AAW held its symposium thru zoom as well. I did attend and thought it went well also. With most clubs holding their meetings this way we have been invited to their meetings and we have invited them to ours as well. It's great to see different clubs join together and I hope to continue this going forward.

So once again stay tuned to you email and Facebook for more up to date info. Also email photo's or comments to Mikecotton01@gmail.com if you would like to have them posted in the newsletter.

Hope to see you at the July meeting, I have the inside scoop that this will be a demo you don't want to miss.

Secretary's Notes

Mike Cotton

Any members interested in having Show and Tell pictures added to the newsletter can e-mail them to me at Mikecotton01@gmail.com Thank you and stay safe!

Treasurer's notes

Bob Hopkins

You can pay your dues directly from the website at <http://www.oceanwoodturners.com/dues.cfm>

Dues: Club dues are \$25 annually.

For members who wish to have a printed Newsletter mailed to them monthly, there is an annual charge of \$5 to cover postage, payable with club dues.

All payments should be mailed to:

Bob Hopkins, 48 Tilbury Drive, Bristol, RI 02809

Show and Tell

Jay Lima shows his Carver's Mallet. Turned from Maple and cracks filled with orange tinted resin, sanded to 220 and finished with Mylands sealer/polish and hut wax

May Demo Update:
Roland has provided these pictures of his updated Epoxy Rotisserie and finished demo bowls

Demo

Matthew Davidson of Village Woodturning demonstrates his method of turning matching Balusters. Since Matt turns faster than lightning, he also turned an Egg and demonstrated how his lathe duplicator works

*** 5" Egg turned from 16/4 Hard Maple, Green Poplar and Figured Walnut
