## President's Notes

***Rick Bugbee***

If you were present at the last meeting, you saw the giant mess, we made getting the classroom cleaned out. This month you will see the results as the major long waited overhaul has been done. I had this vision 2 years ago but thought we would never get here. Well, **IT'S DONE** the classroom is now a wood shop with plenty of room to work (Check out pictures on the next page!!!).

This is all part of a plan to start a wood working class for the students this up coming school year. Mr. Clancy (Principal) and I spoke of this when we first met a few years ago, so I am quite excited to get it going. I have asked for a few members from both clubs to give a few hours of their time to help out teaching. Also, the school has agreed to pay the members \$100.00 per class they teach. There are still a few openings if you want to get involved.

If you're interested in teaching a class, contact Rick [wholesalegroupri@aol.com](mailto:wholesalegroupri@aol.com)

This month we have a few members showing some of their favorite finishes (a topic that I think interest all) I will also be bringing some Sassafras for our wood raffle so bring some cash.

We have had a few new visitors and soon to be members checking in each month. If you haven't been to a meeting in a while, it's time to swing in. Masks are optional and we have plenty of space for social distancing. Don't forget to bring in a piece for show and tell. You can still check us out on Zoom as well.

We have talked with Rick Angus about a September demo as well keep your eye out for this one he always does a great demo.

If you would like to do a club demo at the school let me know, we still have a few openings for the next couple of months.

**Hope to see you at the next meeting!**

**Please join me in welcoming our newest member Paul Pasch, Welcome Paul!**

- A vote was taken at the November meeting to allocate funds which passed unanimously!
- We're in the process of gathering quotes for the update
- Bob Hopkins has found Dan Cordeiro to work on the web site.
  - Craig has spoken with Dan and it looks like he can do a similar site and make it more 2021 friendly.
  - We will be deciding on which way to go once we get the estimated cost.
  - Website enhancement suggestion: Add a member directory for members to contact other members
