## President's Notes

*Rick Bugbee*

Is this the new normal? The school will be open for the April 15th meeting. Registration is required as I need to know how many members will be attending. This will determine if we use the classroom or the cafeteria. Masks will also be required, and social distancing will be in place. Call or text my cell 401-486-8428 or email me at [wholesalegroupri@aol.com](mailto:wholesalegroupri@aol.com) to reserve a spot.

The lathes and sharpening station will be available from 6pm to 7pm. During this meeting we will be viewing a Zoom demo from A.R.T.

- I am hoping to bring in some black walnut for our wood raffle
- Show and tell will be after the demo

Our May meeting will be **ZOOM ONLY** as we will be doing a great demo from Roland's shop (and there's not enough room for everyone).

As of right now it looks like our June, July and Aug meetings will be at the school. This is subject to change so please check your email and our Facebook page.

\*\*\*\*\*

I want to make this clear **YOU DO NOT HAVE TO ATTEND IF YOUR NOT COMFORTABLE BEING AROUND OTHER MEMBERS.** Zoom meetings will still be run no matter what.

\*\*\*\*\*

I have been in touch with A.R.T. and we are planning a rotating meeting each month with them. This will help with finding demo's but will also give us a chance to meet new members and their talents and work habits.

- Demos are needed. They can be done from your shop and or at the school with Mike and I to do the Zoom part. Please and Thank You

### New Business

#### ➤ **OWT Website**

- Redesign/New Site?
  - We will need to 'bite the bullet' at some point and setup a new website
  - Craig is trying to update the current site but is having issues uploading and updating recent content
  - Current system is very outdated and difficult to work with
- A vote was taken at the November meeting to allocate funds which passed unanimously!
- We're in the process of gathering quotes for the update
- Bob Hopkins has found Dan Cordeiro to work on the web site.
  - Craig has spoken with Dan and it looks like he can do a similar site and make it more 2021 friendly.
  - We will be deciding on which way to go once we get the estimated cost.
