President's Notes

Rick Bugbee

Off to a new start. Great MASKLESS meeting last month. It was great to network with everyone and there was a lot going on. A large show and tell took over most of the meeting as there were a lot of new techniques to talk about.

This month will be no different. We have a great demo on tap with John Jordan. This will be zoomed into the school as well as your house if you prefer. Either way this is one you do not want to miss. John will be showing his way of turning a natural edge bowl. I have spoke to many seasoned turners who have went to his class for a few days so this is a must see.

Our learn to turn hour starts at 6pm feel free to bring in some work or tool ideas to share with the rest of us. We have a good bunch of new turners attending and they are here to learn from all of us.

I have asked for a few members to do a small presentation with their best finishing techniques. If you would like to take part, please let me know. I'm trying to fill 4 or 5, 15-minute presentations. This will be the Main topic for our August meeting.

Demos, demos, demos, it's time to step up we need someone for Sept and Oct!!

Now that we are back in person, we can get back to our raffles both 50/50 and wood raffles as well. This is a great fund raiser for the club to pay for top demonstrators. Don't forget to bring a piece for show and tell.

**Please join me in welcoming our newest member Steve Martin,
Welcome Steve!**
