President's Notes

Rick Bugbee

November is nominating month for Officers for the upcoming 2022 year. Chris Rowe is the nominating chairperson, so if you have any interest in being an Officer or a Chair Committee Person, please speak with him. I would like to point out as I have done in the past, many clubs have 10 or more members that host a wide range of committees. This helps make the club not only interesting and strong but also makes it run smooth and keeps the growth going. Now's the time to step up. The Club is Only as Strong as its Members.

Plans for the Xmas party are under way. The Xmas raffle will be \$10.00 per ticket. 1st prize is a double ended spindle/bowl gouge and 12" handle from Carter and Sons (a real beauty I bought one). There will be several other prizes as well. If you would like to donate an interesting piece of wood, we could use that as well. Tickets will be available at the November and December Meeting. Zoom members can buy tickets online or mail a check to Bob Hopkins. You do not need to be present to win.

Potluck Dinner, please let Rick know if you plan to bring a dish, desert, drink or other. Also, we need plates, silverware, and decorations if you would rather do that instead of a dish.

What's up with Laser Engraving??? Mike Cotton and Rick Bugbee will give a hands-on demo covering all the bases, cost, software, and equipment at the November 18th meeting. Bring your questions.

The school wood shop has completed their toolbox build and will be turning pens December 3rd, 10th, and 17th all Fridays from 12:55pm till 1:55pm if you would like to get involved, I have 3 students and hoping to have a few pens done for the holidays.

New Business

➤ **OWT Website**

- Redesign/New Site?
 - We will need to 'bite the bullet' at some point and setup a new website
 - Craig is trying to update the current site but is having issues uploading and updating recent content
 - Current system is very outdated and difficult to work with
- A vote was taken at the November meeting to allocate funds which passed unanimously!
- We're in the process of gathering quotes for the update
- Bob Hopkins has found Dan Cordeiro to work on the web site.
 - Craig has spoken with Dan and it looks like he can do a similar site and make it more 2021 friendly.
 - We will be deciding on which way to go once we get the estimated cost.
 - Website enhancement suggestion: Add a member directory for members to contact other members
 - **User Acceptance Testing (Dry Run) to be performed soon**

➤ **Demos Needed!!!**

- Looking for members who want to help the club by doing a demonstration at our monthly meeting.
- They can be done from your shop or at the school with Rick and Mike to do the Zoom part.

➤ **OWT Affiliate Memberships**

- Ocean Wood Turners is now offering affiliate memberships
- Affiliate members will have access to all online club activities including e-mails, newsletters and zoom meetings.
- Affiliate members are non-voting and cannot run for offices.
- The annual fee of \$15.00 per year can be paid on our web site oceanwoodturners.com

➤ **Interactive Remote Demo (IRD)**

- New camera, stands and arms have been purchased and we are looking to invest in the vMix program for our zoom meetings.
